Grüner Veltliner Goldberg 2015

Wagram, Austria

The Wine Advocate Issue #225 – June, 2016

Score: 90 Points

From Grossriedenthal, the citrus-colored 2015 Grüner Veltliner Goldberg is from a very warm, terraced loess vineyard with a nice view to the Danube River. The vines are 20 to 25 years old and produce an often opulent wine with 13% alcohol. This 2015 opens with a deep, clear and intense, minerally fresh and even floral-scented aroma of white seed fruits, citrus flavors and herbal notes. Juicy, clear and fresh, with ripe fruit and a nicely creamy texture and lemon-fresh fruit aromas, this is an intense and elegant Veltliner with a dry, dense and aromatic finish and a stimulating mineral aftertaste. A serious, well-structured wine that is released no earlier than during the summer after the harvest. An excellent Veltliner with food. - SR
