Tenuta Scuotto

2015 Campania Oi Ni Fiano
Campania, Italy

June 2019

Score: 91 Points

This honeysuckle-scented wine fermented with ambient yeasts and aged for a year in used barrels, gaining a viscous texture filled with flavors of pineapple, mango and poached pear. Salty minerality and subtle acidity balance that tropical richness, as well as the wine's ample alcohol (14.5 percent). Drink it as you would a Spätlese riesling, lightly chilled with a spicy stir-fry or hard salty cheeses.
